**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I oppose the USTelecom petition. This petition, if passes, would dismantle critical components of the 1996 Telecommunications Act, disabling competition and eradicating consumer choice. We need more choices and competition to have it. Domination of market by few can not be in the interest of the public.
